

Coaches,

The Season Ending Tournament Schedule has been posted and ready to view. A few things before you read over your schedule:

1. No requests will be granted for schedule changes
2. If you cannot make the tournament or your games, we need to know by Wednesday of this Week
3. Some teams have Double Headers, this helps grant all teams a 1 game pool play. The second game will not count toward the team playing the DH but will count for the team that needs this game. It is already set up in the online system
4. Teams will be seeded after the one pool play game. Tie Breaks will occur. You can check on the rules for the tie break rules, please wait until all games in your division are complete before checking your seed for bracket play
5. 6<sup>th</sup> Grade Boys Lower, 7<sup>th</sup> grade boys and 8<sup>th</sup> grade boys will finish their bracket games on Wednesday March 3<sup>rd</sup> due to over 100 teams in our season ending tournament. We appreciate your understanding as we have run out of weekend time for games
6. 6<sup>th</sup> Boys Lower will start bracket play on Saturday following their division games earlier. Please check your bracket 30 minutes after the last game is complete for updated playoff bracket

Please click link below and check your schedule:

3<sup>rd</sup> Boys Tier 1 – Straight to championship game on Sunday

4<sup>th</sup> Girls – Straight to championship game on Sunday
