

Kingdom Basketball Academy Club Information For Parents:

Dear Parents,

We want to welcome you to **Kingdom Basketball Academy**. We are happy you have decided to join us and we look forward to having you and your family here at Kingdom.

Included in this packet is information on league dates of play, tournament dates, instructions on accessing our website, and other useful information.

Here at Kingdom Sports Center we pride our self in running a top quality league. Our coaches have gone through an interview process, online background check, and have been handpicked for your child's team. Information regarding your coach, if it has not already been provided, will be provided the week of March 9th. We title our teams "Kingdom Academy Basketball " plus the coach's last name. So once you know your coach's last name you will be able to determine what team your child is on. Team names will look like this online: "Kingdom Basketball Academy - [Your coach's name]." Please try to direct all questions about game and/or practice times to your coach. In the case that your coach is unavailable, please call our office @ 937-746-3370.

League schedule will be posted online 2-3 days before games begin. Please note that schedules do change. Your coach will be notified of any changes to the schedule and they should inform you. As a parent we ask that you take the initiative to check the schedule for yourself as well. I have outlined how you can access your child's schedule on the following pages. Once the schedule has been posted online you can access it by going to our website www.kingdomsportscenter.com → Schedules → Midwest Elite Spring League

Your child will also be playing in 7 home tournaments. These are also included in the club price. There are no additional fees for your child to play in our tournaments other than gate admission per tournament and league for spectators (**children 17 and under are free!**). Dates for the tournaments are included in this packet. In order to view tournament schedules go to our website, click the schedules drop down tab, and then select the "Basketball Tournament Schedule" link. You will then see a clickable link that will open up a schedule on the website. Again, the schedule will be posted 2-3 days in advance and is subject to change. Your child will also participate In either training sessions once a week with Mick Dejene (3-6th grade) or 1 outside tournament (7th-HS) that will be part of your fee.

The Start Date for Training for the 3-6th graders will be communicated to your coach – they will keep you informed

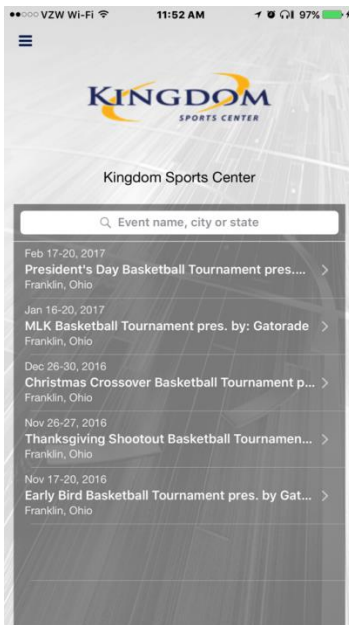

The Tournament Date for the Outside Tournament will be communicated to your coach – they will keep you informed and please note there will be a Gate Fee as well for each family member and that will be determined by that Tournament site and may be a different fee then ours-if you purchase a 'PASS' for League/Tournaments for Kingdom Events, this is not acceptable for the Outside Tournament Event.

I hope that this packet of information helps you to have a great experience here at Kingdom Sports Center! We all are excited about kicking off our Spring League! Thanks again for choosing Kingdom!

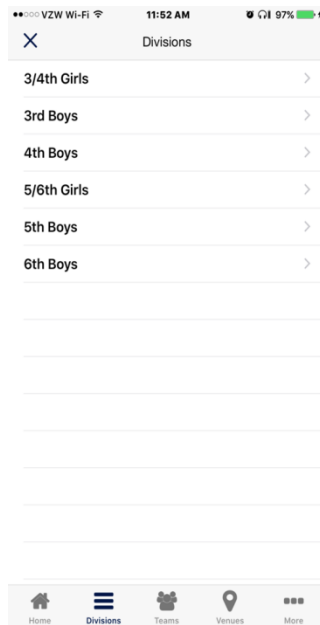

Tournament Schedules:

We have an exciting new app that we are using to schedule our tournaments called “Exposure Basketball App.” There will be a link on our website that will direct you to the online version of the app, or you can download the app for free on to your smartphone and have access to up-to-the-minute scores and brackets. To get to the schedule from our website, go to www.kingdomsportscenter.com, click the “Schedules” tab, click the tab labeled with the Tournament you are looking for, and then click the button on the page that says, “Click to View Schedule,” and you will be redirected to the Exposure Basketball App website. You can filter your view of the schedule by date of play, team, or division. The app is also very simple and easy to use; you have the option of “following” your team and getting notifications.
