

Coaches,

Welcome to the Summer Slam End of Season Tournament (7th -12th Grade)

The Tournament Schedule is now available to view. This event is Friday and Saturday evening. All teams will play one game Friday Night and Saturday teams will be seeded based on their Friday Standings. No league standings will impact the play in game or Saturday schedule for bracket play. The Junior High boys will have one team play two games, the Junior High Girls will have one team play two games. The first game listed on Friday for the DH counts for their total. The 2nd game only counts for the opponent. This is already pre set in the system and will be automatic.

- 1) Requests were mostly met for almost all teams. Please understand that if we did not meet your request that we tried as best as we could
- 2) Click to view playing rules, we may have different rules than you might be used to, please read over completely. Ball Size, Pressing, Zone and Game times
- 3) Please write down scores after each game on score sheet taped to desk, if not scores will not be updated
- 4) Any further scheduling requests will not be granted as the schedule is posted
- 5) If any team is canceling a game, you must text 513-435-1197 with a 48 hour notice
- 6) Saturday games are determined by your pool games Friday. Please check the BRACKET tab for your division once ALL GAMES in your division are completed. You will notice your team name is positioned where the seed games Saturday were before. Tie Breaks are determined in the Rules Section. Please do not assume you are a seed just by winning losing. All teams advance to Saturday Bracket Play.
- 7) Saturday is Single Elimination. Win and keep advancing to the next round
- 8) Seeds are Determined by tie breaks set up in the system and not adjusted for any reason. If you play a team you already played in Pool Play, games will not be adjusted for bracket play as seeding is true to the tie break system.
- 9) Coaches, players and spectators, please clean up after your game. Teams that do not clean up and throw away trash could be penalized, we hope teams leave their bench and spectators throw away trash like they would if this was their own facility. Thank you

We are excited to have a great spring season here at Kingdom Sports Center, please check out our full tournament list by clicking the link below, you can sign up for any event online.
